This image shows a blank PCB layout sheet. The sheet features a grid system with columns labeled 1 through 6 at the top and bottom, and rows labeled A, B, C, and D on the left and right sides. A large rectangular area is defined by the intersection of columns 1-3 and rows B-C. In the bottom right corner, there is a title block containing the following information:

The image shows a blank sheet of paper with a grid pattern. The grid consists of 6 columns and 4 rows. The columns are labeled 1 through 6 at the top and bottom edges. The rows are labeled A through D on the left and right edges. A large rectangular area is defined by the intersection of columns 1-3 and rows B-C. In the bottom right corner, there is a small rectangular box containing a title block.
