

The image shows a blank KiCad PCB sheet. The sheet has a grid with columns labeled 1 through 6 and rows labeled A through D. A rectangular area is defined by the intersection of columns 1-3 and rows B-C. In the bottom right corner, there is a title block containing the following information:

Sheet: File: LocoBuffer.kicad_pcb	
Title:	
Size: A4	Date:
\${KICAD_VERSION}	Rev: Id: 1/1
